This is the second of two notices announcing the date of our annual meeting. The meeting this year will be held at the pavilion, in the SWS II common area, on June 16, 2007 @ 10 AM.

Please note: this is an election year and all five positions on the Board of Directors (BOD) are open. Any member who wishes to submit their name or the name of another member of the association, for election to the BOD, may do so in person at the meeting.

After the meeting plan on sticking around for hamburgers, hot dogs and soft drinks.
