

Environmental Report

We approved several construction requests this past year, which included a new home, garage, and a major remodel that will look like a new house. We're looking forward to seeing them completed. Please fill out the Construction Application and Agreement form if you are planning on doing any external projects around your home. When completed, please send it to the new Environmental Chairperson.

Please don't forget, if you are the last one leaving the common area please close the umbrellas and lock the gate.

When parking vehicles, please park in the parking lot and not the grass. It helps with grass growth and reduces ruts.

I just want to thank the boards I served with. It was a joy serving with them. Also, thank you all for the opportunity to serve the community. It was an honor. I look forward to seeing you all around the neighborhood.

Have a glorious summer.

George Tsoukleris
