Dear neighbors,

Don't forget that our annual meeting is June 14th at 11 a.m. If you would like to mingle and/or pick up your paper site maps, please come at 10:30 a.m. I attached the proxy if you cannot make it. This is important so we can have a quorum. You may sign and leave it in my mailbox if you wish. If you need a paper copy, please contact Marty Wade. It would be great to see everyone and don't forget to bring a dish to share for our picnic afterwards.

See you all next week.
