

THIRD BOARD MEETING (10-5-01)

George will get with Wally to shore up docks and redrive 12 pilings.

There is 9,000 in account for shoreline.

We need sight plans for Lot 71. Plans do meet qualifications.

We need supplied and installed 14 sets of 2x6 cross bracing at the end of each pier and level the piers as needed.(700.00)

Redrive 12 piles between docks(300.00)
