The information on the bottom of the sheet sent to Teresa is information that can be obtained online. The top of the sheet is a picture of the lake with areas of No Wake Surfing colored in. They would like us to give them \$65 for 500 cards that can be passed out. Mark and Teresa aren't sure that the areas marked are correct. Linda pointed out that looking very carefully you can see the Rte. 719 bridge above one of the colored out sections. Board members didn't know who they would even hand the cards out to. Linda suggested putting a copy, not a card, in the packets of the rental properties. The board voted on whether to purchase the cards and it was voted No we would not purchase the cards.
