Hello Karen,

I attached the rental form that you will complete for us if and when you start renting. Maryann and I can explain that to you.
I also attached the information from the by-laws. It's on the last page.

Please let us know if you have any questions.

Hi,

We were in the process of considering renting our home during the off season (Mid September thru April). We were wondering what the feasibility would be to do that based on our neighborhood by-laws. We can't seem to locate them.

Thanks,
Karen Forman
